## Value.

### What is Paintless Dent Repair?

- PDR uses an innovative process to remove dents and dings from your vehicle's metal panels.
- Repairs are made by our nationally certified PDR technicians.
- Covers both horizontal and vertical panels including the hood, trunk and roof.
- Your vehicle is repaired easily, quickly and at your convenience.
- Less costly than traditional dent repair methods because no sanding, painting or body fillers are required.

### Reparable Damage

DentGuard covers dents and dings on your vehicle's exterior surfaces. Repairs can be performed on dents and dings less than four inches in diameter on metal panels where the paint has not been broken and the dent can be completely repaired using the PDR process (as determined by the certified technician).

### Non-Reparable Damage

DentGuard does not cover any type of sharp creases, large dents, hail damage, environmental damage, rust/corrosion, surfaces where the paint has been damaged, or dents and dings on the roof panel when the vehicle has a sunroof or moonroof.

### ADR Coverage Gives You:

- Deductible reimbursement for up to \$500 of your deductibles for both comprehensive and collision claims.
- Expanded benefits for all family<sup>2</sup> members listed on your automotive insurance policy.
